Here's how it works:

1. Indicate the quantity in each applicable category
2. Include **SPECIAL INSTRUCTIONS** if necessary
3. Complete your contact information (above)
4. Securely package & ship your instrument(s) to:

ProNorth Medical @ 6040 - 170 Street, Surrey BC V3S 3Y8

5. We'll email you confirming that your order has been received by us.
Most sharpening orders are completed within 7-10 days. (*this can vary based on volume received*)
Note: needle driver re-tipping completion time is 3 weeks
6. Once your order is complete, we will send you an invoice via email. Our payment processing system is Square. You can securely pay with your credit card.
7. We'll ship your instrument(s) back to you. (return shipping costs will be applied)

If you've got an instrument needing some care that's not listed on the front, we're happy to help if we can. Give us a call or send us an email.
